- V. The auction company's guaranty of title is expressly limited to the buyer of the vehicle in the transaction the subject hereof, and said guaranty is not negotiable or transferable. The auction company's guaranty to the buyer shall be void if the purchase price for the vehicle is not paid by the buyer. The guaranty does not protect against defects in the title known to the buyer whether listed as exceptions to the title on the instrument or not. Whatever any claim is made by any person against the title of said vehicle, whether by suit or otherwise, the buyer shall within five days after becoming aware of said claim notify the auction company, giving full particulars of the claim, and shall cooperate fully in defending any legal action and in taking any other steps to minimize possible loss. On payment of any claim under this guaranty the buyer will execute all necessary papers subrogating its right to recover against the seller, or other, to the auction company. The buyer shall not surrender possession of the vehicle, except as required by legal process, to any such claimant, nor shall it voluntarily pay or acknowledge the validity of any such claim, without prior approval of the auction company. Time is of the essence of this agreement and any failure on the part of the buyer to notify the auction company of any such claim shall vitiate the auction company's liability under this guaranty. Likewise, failure of the buyer to cooperate in defending any such claim shall relieve the auction company of the liability under this guaranty.
- W. Firm/Close pricing structure. A FIRM price is within \$50 of low price stated at check-in. A CLOSE price is within \$200 of low price stated at check-in.

GSA Fleet Vehicle Sales Terms and Conditions for Live Sales

Note: GSA reserves the right to change these sale terms and conditions. Bidders are cautioned to periodically review these terms and conditions for possible changes.

GENERAL SALE TERMS AND CONDITIONS: Subject to the changes noted herein, the General Sale Terms and Conditions ([Standard Form 114C](#) (Rev. 04 / 2001)), which are incorporated by reference, apply to all sales of GSA Fleet vehicles. This standard form is available upon request.

1. **VEHICLE INSPECTION:** This clause of the standard form 114C is replaced with the following. The Government provides an inspection period for prospective bidders to determine the true condition and to bid accordingly. Inspection times are posted on autoauctions.gsa.gov. Failure to inspect a vehicle will not be considered a basis for cancellation of the contract.
2. **CONDITION AND LOCATION OF PROPERTY:** This clause of the Standard Form 114C is replaced with a LIMITED DESCRIPTION WARRANTY. The Government warrants to the original purchaser that the property listed in the Invitation for Bids will conform to its description. **Condition of property is not guaranteed; these are used vehicles.** Deficiencies, when known, have been noted in the item description; however the absence of any indicated deficiencies does not mean there are none.

If a mis-description is determined before removal of the property, the Government will keep the property and refund any money paid. If a mis-description is determined after removal, the Government will refund any money paid if the purchaser takes the property at his or her expense to a location specified by the contracting officer. No refund will be made unless the purchaser submits a written notice, claiming a mis-description, to the contracting officer within 15 calendar days of the date of specified for removal and maintains the property in the same condition as when removed. Bidders may be required to submit an independent estimate of repairs from a reputable repair facility as part of their written notice to the contracting officer. This warranty is in place of all other guarantees and warranties express or implied. The Government does not warrant the merchantability of the property or its fitness for any use or purpose. The amount of recovery under this provision is limited to the purchase price of the mis-described property. The purchaser is not entitled to any payment for loss of profit or any other money damages, special, direct, indirect, or consequential. Any refund of payment, full or in part, as a result of a vehicle claim, will be made by electronic funds transfer (EFT) or a credit back to the credit card, if paid with such, on which payment was originally made.

3. **CONSIDERATION OF BIDS:** This clause of the SF 114C is unchanged.
4. **FORMS OF BID DEPOSITS AND PAYMENTS:** This clause of the SF 114C is unchanged.
5. **BID PRICE DETERMINATION:** This clause of the SF 114C is unchanged.
6. **PAYMENT:** This clause of the Standard Form 114C is amended as follows. A valid Driver's License or other accepted form of federal, state or local government issued photo identification information will be displayed for all high bidders at time of payment. Acceptable forms of payment shall include:
 - a. Cash (in U.S. currency) - If a cash payment is in excess of \$10,000, it must be filed with the Federal Crimes Enforcement Network in accordance with [31 USC §5331](#) and [23 USC §6050i](#).

- b. Credit card - MasterCard, VISA, American Express, Discover credit cards may be accepted. Credit cards must be backed by a United States financial institution. Acceptance of credit cards is subject to verification and approval by the issuing bank.
 - i. Effective June 1, 2015, the daily limit per credit card account is \$24,999.99. Debit transactions have no daily limit. For more information on this limitation from the U.S Treasury Department visit: <http://tfm.fiscal.treasury.gov/v1/announc/a-14-04.html>
- c. Debit cards - Must be backed by a United State financial institution.
- d. Checks – Must be made payable to the auction facility and must be backed by a United States financial institution. The buyer must obtain approval from the auction facility to pay by check prior to bidding.
 - i. Cashier's check
 - ii. Credit union cashier's check - issued by a Federal or State chartered credit union
 - iii. Traveler's check
 - iv. Checks, properly endorsed by Federal, State, or local government
 - v. Personal or company checks will only be accepted when accompanied by a bank letter guaranteeing payment. This letter must state that the bank will guarantee the check for a specific amount for a minimum of 30 days after the specific sale date at which it is intended to be used, and that it covers the purchase of U.S. Government property only. The letter must be signed by the bank official affirming the guarantee.
- e. Postal or commercial money order – Must be made payable to the auction facility.
- f. Purchase Orders – Buyers participating in the State Agency for Surplus Property program may present a purchase order to obligate funds for vehicle purchases. The obligation of funds via a purchase order must be pre-approved by the SCO. Payment must be received by GSA within 30 days of the vehicle sale.

While multiple forms of payment will be accepted for a purchased vehicle, no more than two credit cards may be used to render payment for any one vehicle. In the event the bidder is purchasing for another individual or company and uses a credit card not imprinted with the bidder's name, a power of attorney permitting the use of the credit account will be required. Power of attorney is not required if the purchaser is a licensed dealer and registered as such.

Full payment must be made by close of business the day of the sale. A specific time will be provided for each location.

7. **TITLE:** This clause of the Standard Form 114C is replaced with the following. A Standard Form 97 (The United States Government Certificate to Obtain Title to a Vehicle) and a purchaser's receipt will be issued to the buyer of each motor vehicle sold. The SF-97 is not a motor vehicle registration. It is evidence of title only and is to be used by the purchaser to obtain a proper state motor vehicle registration. The SF-97 in no way serves as a waiver for payment of registration fees, nor country or State taxes assessed to the vehicle, subsequent to its purchase. The SF-97 is accepted in all 50 states and U.S. territories. The Government makes no claims as to the acceptance of this standard form outside of these areas.

GSA Fleet Vehicle Sales Terms and Conditions for Live Sales

The SF-97 can only be made out to the individual purchasing the vehicle. There are times when buyers require/request a duplicate copy of the SF-97. Any request for a duplicate SF-97 must be made in writing to the Contracting Officer of record. Please be advised there may be a fee associated with this request.

8. **DELIVERY, LOADING, AND REMOVAL OF PROPERTY:** This clause of the standard form 114C is replaced with the following. **The government does not provide nor arrange for the transportation of vehicles purchased at auction.**

The display of a valid Driver's License or other accepted form of identification will be required to remove property from the sale premises. This is to prevent attempts to commit fraudulent purchases. A copy of the driver's license will be maintained for up to 90 days and will then be destroyed. For vehicles purchased from an auction location, a valid gate pass issued by the auction is required. For vehicles purchased online via concurrent live broadcast or internet auction, the credit card used to make payment must be displayed at time of removal. If said credit card is not available at the time of removal a notarized letter from the credit card holder must be provided in order to remove the property. The notarized letter must include, at a minimum, the purchaser's name, the purchaser's address, the name of the individual or transport company authorized to remove the property, a copy of the purchaser's driver's license, and a copy of the credit card used to make the purchase. The removal of property may be delayed until the identity of the removing agent can be verified with the buyer. The individual removing the property must also provide a valid driver's license.

Property must be removed by close of business the day of the sale. Buyers may make arrangements with the auction house to store vehicles at the auction facility for additional time, but this agreement is between the buyer and the auction house and the buyer assumes all risk of damages and costs associated with storage.

Access to some federal facilities is now impacted by the Real ID Act. If using a driver's license or state issued identification card as identification, it will need to comply with the requirements of the Real ID act at those locations. Refer to www.dhs.gov/real-id-public-faqs for more information on the REAL ID Act. Individuals without licenses from compliant jurisdictions may present alternative forms of identification - such as a U.S. Passport - accepted by the agency. Some agencies may have additional processes to accommodate individuals lacking the prescribed identification documents.

9. **DEFAULT:** This clause of the Standard Form 114C is replaced with the following. You are cautioned to bid only on those items you are prepared to pay for and remove in accordance with the terms and conditions of the sale. All items awarded to you as the high bidder are contractually yours and must be paid for and removed within the time period specified under the special terms and conditions for each sale. Failure to do so could result in termination for the contract and the bidder may also be subject to paying liquidated damages. It is the responsibility of the bidder to be cognizant of which vehicle they are bidding on. Bidding on the incorrect vehicle does not constitute grounds to be released from the award of that vehicle.

The minimum amount for liquidated damages is changed to \$325 as stated below. "The purchaser agrees that in the event he fails to pay for the property or remove the same within the prescribed period of time, the government at its election and upon notice of default shall be entitled to retain (or collect) as liquidated damages a sum equal to \$325 per instance."

In the event the purchaser fails to perform contractual obligations (payment and removal) as specified in this document, the following action applies: Purchaser will automatically be placed in default. **These terms and**

GSA Fleet Vehicle Sales Terms and Conditions for Live Sales

conditions are your official notice of default. If the terms and conditions outlined in this document are not met a buyer will immediately be put into default. Upon being put in default the purchaser shall lose all right, title, and interest which he/she might otherwise have acquired in and to such property as to which a default has occurred.

The purchaser agrees that in the event he/she fails to pay for the property or remove the same within the prescribed period(s) of time, the Government shall be entitled to retain (or collect) as liquidated damages the sum as denoted above. In the event multiple lots were purchased, this default amount will apply to EACH and EVERY lot for which a default has been recorded. **GSA does not grant extensions of time for payment and removal.**

10. **SETOFF OF REFUNDS:** This clause of the SF 114C is unchanged.
11. **INTEREST:** This clause of the SF 114C is unchanged.

Contractors and subcontractors (including members of their immediate household) that are involved with the administration of this sale are also prohibited from purchasing, either directly or indirectly, any government property being sold. Further, the bidder warrants, by accepting these sale terms and conditions and submitting a bid, that he/she is not delinquent in paying for previous purchases of Federal personal property and any related charges. The U.S. Government is not responsible for collection of state and/or local use taxes. Sales and/or use tax officials are permitted to examine records of Federal personal property sales to determine tax liability. Sales tax, where applicable, will be collected by the auction house, or the Department of Motor Vehicles when/where the vehicle is being registered. **It is the purchaser's responsibility to determine applicability.**

24. **DEFINITIONS:** This clause of the Standard Form 114C is amended to also include the following.
